SUMMARY

Web Developer with a background in the arts and theatre technology. Educated at the University of Washington Coding Bootcamp with skills in HTML, CSS, JavaScript, and the MERN stack, plus Python. Detail-oriented problem solver with a passion for iterating new features to create better user experiences. Strengths in creativity, teamwork, and quick learning. Equally at home with front-end and back-end projects, and works well with others. Leadership and cooperative experience from previous career informs ability to mesh with and help coworkers.

TECHNICAL SKILLS

JavaScript, Python, HTML, CSS, jQuery, Node.js, MySQL, MongoDB, Firebase, Bootstrap, APIs, REST, AJAX/JSON, Express, Handlebars, React, JSX

PROJECTS

ThriftBuyer | github.com/LandGod/ThriftBuyer | thriftBuyer.net

- Node.js server running with Express and Handlebars to dynamically serve content
- Persistent data storage with MySQL and Sequelize, fully user searchable via category and geolocation

Parent Trap | github.com/LandGod/Parent-Trap | evening-chamber-98293.herokuapp.com

- Full stack project with React on Node Express server
- Worked with a team of 3 others while following principles of OOP

RPG Game | github.com/LandGod/RPG-Game | landgod.github.io/RPG-Game

- A puzzle game loosely based on the rpg genre
- Created with HTML and CSS, game written with JavaScript and jQuery.

EXPERIENCE

Trilogy Education

Seattle, WA

Full Stack Web Development Tutor

2019 – present

Help students succeed with and understand the material in full stack web development boot camps. Meet via video chat with students weekly to help them through whatever aspect of web development they are struggling to understand or put into practice, that week.

South Coast Repertory

Costa Mesa, CA

Lighting Technician / Interim Lighting Supervisor

2014 – 2018

Collaborated with coworkers and members of other departments to execute lighting on as many as 16 theatrical productions per year under tight deadlines. Oversaw maintenance and operation of lighting equipment throughout show runs. Promoted to department head in 2018 and oversaw 2 directs.

EDUCATION

University of Washington Programming Bootcamp

Seattle, WA

A 6-month intensive program focused on gaining technical programming skills in HTML5, CSS3, Javascript, JQuery, Bootstrap, Firebase, Node Js, MySQL, MongoDB, Express, Handlebars.js & ReactJS.

BA in Drama: University of California at Irvine

Irvine, CA
